# Project for 2014

# Letefoho Senior School

Water Sustains Life
Education Enriches it

Letefoho Senior School with a population of 300 students and growing is in need of major renovation. It currently has no water, non functioning toilets, a leaking roof, damaged walls, floors & windows & limited teaching resources but it still has students coming each day to learn.

Andy has estimated the cost of renovation to be around $90,000. The size and $'s needed to repair the school has brought a number of interested groups together and it will be undertaken as a joint project.

WET' & Warrnambool East Rotary Club's  contributions will be to replace the roof, making it possible to collect water during the wet & provide tanks for storage from both the roof and the nearby spring.

|---|---|
| Estimated Required Funds | $25,000 |
| Current Donations | $ 11,000 |
| **Funds to be raised** | **$ 14,000** |

Can you help us raise these funds ASAP so the works can be undertaken in the dry season August - October?

**HOW?**

**Support us on Facebook  spread the word to family & friends**

**Buy a ticket to The Warrnambool & District Annual Art Show. WET is providing finger food for the event and all ticket sales @ $10 per ticket go to WET**
**Tickets available from McLaren Sheetmetal 5562 4276**

**Give us a donation. Large or small it all adds up. $20US would buy a 100 roofing nails.  $3,000US  a water tank. All money raised go directly to the project.**

**Please view our website at watereasttimor.org for more information or  contact us at  watereasttimor@gmail.com  with questions or suggestions.**
