Dear valued WET member and supporter,

We are pleased to bring you some current news from Water East Timor and our continuing efforts to improve water and sanitation in rural Timor-Leste.

Current water project

Our water and sanitation project for 2023 in the village of Asulau in Western Ermera is progressing well, and when completed will provide clean running water to approximately 250 people, 50 houses and a school with 120 students.

Implementation of the project was delayed for several months due to unseasonal wet weather which washed away access roads to the village.

We will continue to keep you informed of the progress of the project as I am sure you will be as keen as we are to hear further details and updates!

Warrnambool Artist Society Exhibition Opening Night

The Warrnambool and District Artist Society Art Exhibition Opening for 2023 was held at Merri Gallery on Friday 23 June 2023.

It was a very successful night, and we are continually delighted at the talented artists we are fortunate to have in our district. We thank The Artist Society for once again donating the monies raised from the ticket sales and raffle to WET.

WET Sausages?

Doesn't sound particularly appetising, but WET will be sizzling sausages to perfection at Bunnings, Raglan Parade Warrnambool on Sunday 13th August from 9.00 am to 4.00pm.

We would be grateful if you could come along and buy a sausage. Also, "spread the word" to family and friends.

We are also needing a volunteer between 11am -2pm to help with cooking.

If you can help, please contact Anne Maree Mugavin on 0433708017. Your assistance will be appreciated.
