

WET Strategic Plan 2019-2021

Our purpose

To partner with Timorese for sustainable development of water and sanitation infrastructure in rural Timor-Leste

Our vision

Improved life outcomes for the people of rural villages in Timor-Leste through improved access to clean water and sanitation

Our two-year focus

Funding and practical support for at least one WASH project per year in a rural village in Timor-Leste

#	Goal	Action (What will we do?)	Measure (How will we know if we have succeeded?)
1	Contribute to improved water, sanitation and hygiene in rural Timor-Leste	1. Fund at least one WASH project per year in rural areas	Written report and financial records presented to Committee of Management; outcomes reported to WET stakeholders and supporters
		2. Strengthen partnership with Catholic Archdiocese and Bakhita Centre as WET's in-country partners	MOU signed with Archdiocese and Bakhita Centre
		3. Continue to collaborate on WASH projects with Rotary East Warrnambool	MOU signed with Rotary East Warrnambool
		4. Collaborate with other WASH actors in Timor-Leste to achieve WET aims	Demonstrated networking with other funding agencies to ensure there is a clear understanding of each agency's involvement
		5. Ensure that a needs analysis is undertaken for any potential projects, and projects are prioritised according to set criteria	Projects are matched to, and utilise, the skills of local workers Projects are completed within available WET funds.
2	Develop the capacity of rural communities to build and maintain improved water, sanitation and hygiene infrastructure	1. Ensure that local villagers are strongly involved in the selection, construction and maintenance of WASH projects	Active participation by villagers in WET projects
		2. Seek feedback from local communities regarding implementation of WASH projects	Continuous improvement process implemented based on feedback

#	Goal	Action (What will we do?)	Measure (How will we know if we have succeeded?)
		3. Build sustainability strategies into all WASH project planning	WET-funded projects sustained by villages for at least 2 years
		4. Explore further training strategies for rural Timorese in health and sanitation infrastructure and project management	Training opportunity provided in-country or in Australia within 2 years
